Mr. Jeff Ruch
Executive Director
Public Employees for Environmental Responsibility
962 Wayne Avenue, Suite 610
Silver Spring, MD 20910

Dear Mr. Ruch:

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2018 in which you seek:

- 1) Documents describing Tetra Tech involvement in radiological assessment/remediation of areas of Treasure Island;
- 2) Documents and communications related to the sufficiency of prior radiological assessment and remediation work performed by any Tetra Tech entity, including Tetra Tech EC, at Treasure Island;
- 3) All documents and communications assessing the potential for fraudulent radiological cleanup work to have been conducted at Treasure Island by Tetra Tech or other contractors and the Navy's investigation of that potential;
- 4) Documents and communications supporting any decision not to review the prior Tetra Tech radiological work at Treasure Island;
- 5) All documents and communications among BRAC personnel and between BRAC and RASO (Navy Radiological Affairs Support Office) regarding whether Tetra Tech workers involved in fraudulent radiological work at Hunter's Point Naval Shipyard had performed radiological work at Treasure Island; and
- 6) Documents relied upon or supporting, the statement by BRAC Program Director Laura Duchnak at the May 14, 2018 hearing on Hunter's Point before the San Francisco Board of Supervisors that the Navy has no information that any Tetra Tech workers involved in the fraud at Hunter's Point conducted radiological work at Treasure Island.

Your request was received by this office on November 19, 2018 and assigned file number DON-Navy-2019-002006. A partial group of responsive records were provided to you on March 28, April 9, and May 15, 2019.

Four (4) additional records have been identified as responsive to your request. Review of the identified records revealed that one of the records is partially exempt from disclosure under Exemption 4 of the FOIA (5 U.S.C. § 552(b)(4)) which protects "trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential." Two (2) other records are partially exempt from disclosure under Exemption 6 of the FOIA (5 U.S.C. §

552(b)(6)), which exempts personal information affecting an individual's privacy, and one (1) of these records also is partially exempt from disclosure under Exemption 5 of the FOIA (5 U.S.C. § 552(b)(4)) which protects attorney-client privileged information. Copies of all releasable portions of these three documents are provided with this letter on FOIA Online. One additional record is provided with no exemptions, for a total of four records. The processing of your request continues and we anticipate completion of the response by January 10, 2020.

In view of the above, you may consider this to be an adverse determination that may be appealed. Since you have created an account in FOIA online, you may submit an appeal directly within the web-based system. To do this, you would log in to your account, retrieve your original request, and then click on the "Create Appeal" tab in the left-hand column. The basic information from your request will be duplicated for you, and then you can type in the basis of your appeal. If you prefer to use regular mail, you may submit an appeal to:
